

Organizing binder/folder sections

Binder Options***	Notebook Options
Binder Front Section (The section in front of the first tab) - Core Bites	Folder 1 - Core Bites
Binder Section 2 - Notes - Keep this section well stocked with lined paper	Folder 2 - Notes - Be prepared to tear out pages from your notebook to store in this folder to make it easy to locate
Section 3 - Classwork - Keep this section well stocked with both lined paper and grid/graph paper	Folder 3 - Classwork - Keep loose leaf paper here for papers that will be collected
Section 4 - Homework* *Keep homework you need to complete/turn in at the front of your binder if possible to make it easy to turn in	Section 4 - Homework* *Have one side be for turning in/completing work, the other for returned work
Bonus Section - Completed Assignments, graphing assignments, etc.	Bonus Section - Completed Assignments, graphing assignments, etc.

***The 4 pocket folders are to be used for when papers start to fall out from repeated flipping in the binder. This will happen over time and the folders are used to mitigate this problem.
